Around Easter

2007

children, grandchildren, great grandchildren, cousins, nieces, nephews, aunts, uncles, grandmas, grandpas... The time has come.

Welcome to our great family reunion on Saturday, April 14, 2007, from 12h near Cologne.

Our family tree is far spread – depicted by the scrabble stones. On the week-end after Easter – on Saturday, April 14, 2007 – we want to reunite or get to know every single branch and family member, be them from Germany or the US.

For lunch we'll meet in the *Brauhaus am Schloss Augustusburg* (brewery next to the UNESCO World Heritage Augustusburg Castle) in Brühl in the south of Cologne to strengthen ourselves for afternoon and night. Long known and new faces can find themselves in the big 'family tree wallpaper' which includes several hundreds of relatives from 1750 until today. A church service supported by our 'family orchestra' as well as a slide show with many old and funny photos and post-cards will make our day with coffee, cake and dinner perhaps.

What can you bring? What ideas have you got? Who will answer your questions? Just read on. And please 'spread' this invitation. We all are looking forward to a Saturday together in April – more than 80 have confirmed so far:

Families of Sieglinde Beerhorst, Sabine & Christoph Commes, Klaus & Rita Gabriel, Markus & Yvonne Gabriel, Gerhard & Regina Gloge, Siegfried & Jutta Gloge, Hildegard Hilmer, Sabine & John Jaeschke Dieringer, Martina & Lutz Kaiser, Lothar Kluge, Elisabeth Müller, Eva & Jan Petersen, Dorchen Petry, Kati & Peter Räke, Bernhard & Gisela Roth, Janet Schwengber, Renate Shimada, Katharina, Friedhelm & Rolli Vogel, Elfi & Gottfried Walther

Sabine Jaeschke Dieringer from Asheville (NC) as well as Janet Schwengber from Delhi (NY) will come. Will you accompany them?

Moreover we are keen on your personal contributions: perhaps a brief statement, a game, your own memories, books, certificates, letters, photos? Or take an instrument (we could provide) and support some easy-to-play songs. Each idea is welcome such as the suggestion of a song.

And don't worry about coming home afterwards. In the Cologne area, there are a lot of relations with special 'bed & breakfast offerings' or we'll find a nearby hotel room for you.

We'd love to meet you, so please confirm your visit before February 28, 2007.
